d/b/a Verizon Massachusetts**

Commonwealth of Massachusetts

D.T.E. 01-31

Respondent: Robert Mudge
Title: President Verizon MA

REQUEST: New England Public Communications Council, Inc., Set #3

DATED: October 1, 2001

ITEM: NEPCC 3-1 Reference is made to Verizon response to NEPCC 2-6. Please provide a breakdown of the numbers into resold PAL and resold PASL lines by exchange or wire center (or both if available).

REPLY: Verizon considers the data responsive to this request proprietary and competitively sensitive. The information is thus being provided to the Department and to those parties that execute a mutually acceptable protective agreement. Please see the attached proprietary spreadsheet.

In addition, in light of the Department's Interlocutory Order of August 29, 2001, the wire center names have been removed and the data listed in random order on the non-proprietary version of the attached.
